

# President's Letter

February 17, 2018

Another Jail Break has come and gone. The weather did not co-operate very well and we had a lot of nasty weather this year. Friday was relatively nice, but Saturday morning was quite cool with early morning mist that was just enough to be uncomfortable but it dried out pretty quickly as a cold front came thru bringing cold wind and just enough humidity to make it feel colder than it actually was. Sunday morning was COLD and the temperature never got above the 30s all day. Rumor has it that I may be offered a job as weather forecaster for a Fake News Network for my weekend forecast.

The good news was that there was good food for everyone all weekend long. Friday's lunch was lasagna, drink's and desert. Friday night the Hot Dog Social had Hot Dog's, Baked beans and Nachos along with Iced tea and Coffee. Blue Berry Cobbler and Apple cake were for desert. Saturday lunch was home made vegetable soup and crackers along with tea, coffee and desert. Of course, the Saturday meal was Steak, Baked Potato, Salad and Desert. Sunday lunch was a steaming hot bowl of Chile, Coffee or Tea and desert to chase away the cold weather while waiting for the awards ceremony. And, oh, I should mention the movie showing of the Lone Ranger Saturday night after the meal. Several warming fires were also going to keep the shooters warm.

Some nice door prizes were awarded to the shooters along with an Oakwood Outlaws "T" shirt, although I did not see anyone wearing the "T" shirts during the weekend. Everything went very well and we had participants from 10 different State's. The match participants were very safety conscious and did a good job of doing things "by the book".

As much as possible with the cold weather, everyone had a good time and many good comments were heard about the match, except for the weather.

I am not even going to try to predict the weather for the March match. I have been burned bad enough already. We will hope for nice weather.

There will be some form of food after the March match. Much delicious food was left over from Jail Break and we intend to use it until it is gone. Come and enjoy with us.

Words of Wisdom: Any law passed by Congress will either increase your taxes or decrease your freedom or both.
