

# President's Letter

It is with great sadness that I report the death of two of our beloved members. Marcus Hooker was a current active member and would drive his motor home to each monthly match and really enjoyed his time at the range. He loved people and always had a story to tell. He always said that he was an adventurer and now he has embarked on the greatest adventure that he could have ever imagine. I'm pretty sure he has met up with some of his old shooting friends and is having a ball. We will all see you again soon enough Marcus.

Red Dawg was a member in the Club's early days. He was also a great friend. He also frequently had a table at the Houston Gun Club gun show and we would share tales of some great buys we made or wish we could make and pass along the location of those good deals to each other. We both picked up some pretty nice items that way. He was a very good friend to have. I am sure he is in good hands now. God is now his Posse Martial. Have fun, old friend.

Jail break is here. This month will celebrate our annual Jail Bread invitational match. Hopefully most of you will be in attendance and have a great time. Many activities are planned. You should not want for much food during the match, since we will have different dishes to please your taste buds during the match. There will be a Hot Dog social with all the fixings, a Chile lunch, a hot Soup lunch, and of course the Famous Steak Dinner on Saturday Night. Tx. Alline is also planning something for lunch on Friday. Plan on providing your own Breakfast, since the Kitchen will be busy preparing Noon and evening meals. Bring lots of ammo for side matches too.

There will be lots of neat give away items during the awards ceremony.

It is a fact: As soon as you load your horse in the trailer, he will take a dump.

See you at the match  
Justa Hand
