Hola vaqueros, the Oakwood Outlaws here. September was our Mexican Vaquero shoot and the targets were all dressed up with Mexican flare. We had Mexican themed beads to hand out at sign in and a few shooters were decked out for the Mexican theme.

I was skeptical about the weather forecast as Friday's high was 107° but early Saturday morning, a front came through with thunder and lightening and Blessed RAIN! Saturday morning dawned in the 60's, can you believe it. If any of you stayed away thinking it was going to be another scorcher, or due to threat of rain, you missed some awesome shooting weather. It was still a bit humid, but it was in the 70's and 80's during most of the shooting. The root beer floats were still a great treat at the end of the match.

We certainly missed Jake Cutter and Laurie Darlin' and hope Jake will be back on his feet and able to visit us in October, even if he ain't up to shootin' yet. The posses were small, but we had a great time. Texas ShaDi, who we had not seen in a while, joined us on Sunday. On Monday we resurrected the Horses Ars target and it was a big hit. The scenario called for engaging the target 4 times and if you hit the, well, hole, and flipped the flag at least once you got a bonus. Blackfoot Drifter won the Horses Ars award for having the most flipping hits! He was awarded a Horses Ars Champion certificate and a Gold Trophy (gold colored 100% plastic). On a serious note, Monday was Patriot Day, the anniversary of 9/11, so we had a moment of silence and a special prayer by Tommy Reb.

We would love to see you in October. It is fall and we are back to standard cowboy dress code rules. It may even be cool enough that y'all will want to take advantage of Belle's Coffee Bar! We will likely keep it to the lower range again, as we still have some work to do to shoot the upper range stages. Justa Hand and Texas Alline may have a fall surprise in the kitchen! You never know.

Folks seem to like the simple stages on Saturday with a bit more creativity on Sunday. In October on Monday the featured category is wild bunch, but you can shoot cowboy, doughboy, or other variants of wild bunch. We are pretty flexible on Monday. We even had a Teddybunch shooter this month. Burr Bunn started out shooting Teddy Roosevelt, but his rifle crapped out after 3 stages, so he finished up with his regular wild bunch rifle. Just give us a heads up when you check in and we will work with you. So, come join the Oakwood Outlaws, literally! Watch for news of our February SURPRISE!!!

Happy Trails from the Outlaws! 🤠 Forest Shadow
