RANGE OFFICER COURSE

Gunslinger TG & RO Instructor

Gunslinger is wanting to offer an RO I Class May 8th, this is an Oakwood Saturday Match. If we have enough for the class to make we would shoot 5 stages starting at 9AM. Lunch would be provided followed by the RO I Class.

He would also like to offer an RO II Class on June 5th at the Oakwood Range location. Please contact him if you are interested. As many of you know rules change and to be fair to our shooters we need to apply the current rules as they exist not as they use to be. It is important to stay current if at all possible.

Gunslinger needs to know who would be attending so he can have appropriate material available.
