

# OAKWOOD OUTLAWS

## THINGS THAT MAY BE OF INTEREST

### RULES CLARIFICATION

Arriving at the shooting position before being called by T/O or an Expeditor is now a stage DQ.

In case of a CEASE FIRE: All firearm handling will stop immediately, this is to include decocking ( to much danger for an AD ).

There would not be any penalties assessed for a cocked gun, loaded or not, leaving the shooters hands. All firearms will be grounded safely and pointed in a safe direction with finger off trigger.

### MATCH INFORMATION

The 22 shooters will be placed in their own category Old Buckero regardless of shooting style. All 22 ammo must be standard velocity NOT Hyper velocity.

### OAKWOOD RANGE RULE

If a long gun (rifle or shotgun) is the last gun of the stage it **MUST** be cleared before leaving the shooter's hands to avoid penalties.
